You are fucking sick! Me and 10k other people just watched blackteablog's video and the receipts are there hunny. U talking to your cousins "we about to eat" and even that phone call I did with Jason Lee! Its all a molatter of time before u get exposed. **@kinoputiya** is up yo ass...u just dont know it yet. Nothing regarding the us Marshall's was mentioned in your interview and you're basically just contradicting yourself atm. Nicki is not dumb and works with the KARDASHIAN LAWYERS 😂 YOU ARE SICK. U realize Ken has moved on and if actually making a bag for himself and now u just want piece of it too. Even your friend "black" why isnt he on the lawsuit? THE GUY IS PLAYING YOU dumbass.
